Mission

Haven for Hope offers **a place of hope and new beginnings!** While we continue to work on solving the **root causes of homelessness**, we provide and coordinate an efficient system of care for men, women and children experiencing homelessness.

Our Approach

In 2006, business and civic leader Bill Greehey and the San Antonio City Council sought solutions to address homelessness in Bexar County. After nationwide research on models and best practices, Haven for Hope opened in 2010. Through a **recovery framework** and comprehensive on-site social services, a person is guided from homelessness to housing.

Haven for Hope offers:

- **The Courtyard** is a safe outdoor sleeping area for **Guests** needing temporary shelter and basic services.
- The **Transformational Campus** provides long-term living quarters and services to help **Members** address the root causes of their homelessness.

A Major Campus, Major Partners

Haven for Hope is a **22-acre campus** just west of downtown San Antonio. We provide case management, job training, residential facilities, education and coordination of partners' services. To address the root causes of homelessness, **we partner with 91 organizations**; 31 are on our campus. Together, they offer more than 150 different social services. Major partners include:

The Center for Health Care Services provides housing, substance abuse and mental health services. They operate The Courtyard—a safe sleeping area for adults; plus the In-House Wellness Program, In-House Recovery Program and Restoration Center.

The San Antonio Food Bank provides meals and an opportunity for Members to achieve a certification in Culinary Arts.

St. Vincent de Paul Society provides meals for Courtyard Guests.

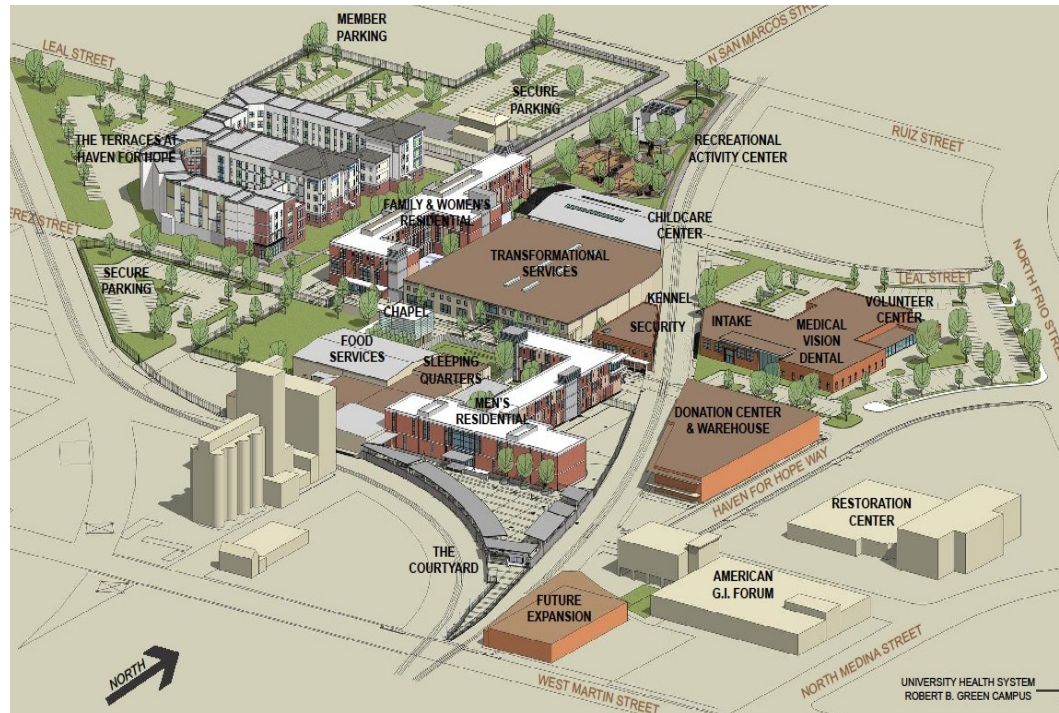

I Care Vision Center provides vision services to Members, Guests and the public.

San Antonio Christian Dental Clinic provides dental services to Members, Guests and the public.

YMCA of Greater San Antonio provides early childhood education and afterschool care to Members and the public.

Centro-Med provides medical services to Members and the public.

These are just a few of our **31 on-site partners**. An **additional 60 partners** operate off-site and provide a wide range of services to our Members and Guests.

Haven for Hope's campus has an overall capacity of 1,500 individuals—850 on the Transformational Campus and 650 at The Courtyard.
